

Cape Charles Community Trail Phase III Public Comments/ Markups – August 31, 2017

Group #1

Alternative 1 Comments

1. Spend all effort on commercial. – JGC
2. Keep residential Peach as is. – JGC
3. Blocks view of cross street (all 4 trees) – TGH (ref. proposed trees at intersection of Peach St. and Tazewell Ave.)
4. Blocks view of business – TGH (ref. proposed tree at N/E corner of Peach St. & Tazewell Ave.)
5. Don't like "transitional" term these 3 houses are residential. – TGH
6. Changes view of business – TGH (Ref. proposed tree in the verge of transitional block)
7. Reduces parking for all business + events – TGH
8. Could this be made more narrow? – TGH (Ref. proposed median of transitional block)
9. This is a plan for events – TGH
10. Don't extend sidewalk closer to homes – JGC
11. Inground power lines – JGC, TGH (Ref. extent of project area)
12. Add sidewalk. – JGC (ref. S/W corner of commercial block)
13. Redo curbing & maintain driveway. – SS
14. Only develop commercial district & don't touch residential! – SS
15. Stupid... Big tree already there – SS (ref. proposed tree in verge at N/W corner of Peach St. & Tazewell)

Alternative 2 Comments

1. No changes to the northern two blocks; the commercial block owners should determine the improvements to their block; no trail is needed; town can pay for 100% - ESB = Edward S. Brinkley
2. Trees are not pollinator's; a mix of flowering perennials and trees are better. -TGH
3. Maximize angle parking on commercial block – MS, TS
4. I stand here in my yard – unknown (ref. 112 Peach)
5. Light pole; powerlines are in sad shape and need updated. I vote no changes. – RS
6. Replacing the broken and cracked parts of the sidewalk will make it look very nice. – JRH
7. We do not need trees; our landscaping is pleasing to the viewer and does not need to change. – JRH (ref. proposed trees in verge east side Peach within transition block)
8. Reduce the overall width of the median by approximately 18" on the east and west sides will help traffic safety and flow. – JRH (ref. all three blocks)

Alternative 1 Comments

1. X out – WSD (Ref. arrow toward 403 Tazewell)
2. X out – WSD (Ref. arrow toward 118 Peach)
3. Leave residential and transitional blocks unchanged – WSD, ERD, JJ
4. Only make improvements to commercial block - WSD, ERD?, JJ
5. Change phase 3 to beach front of community trail grant money – WSD, ERD?
6. Bury utilities – WSD, ERD?
7. Absolutely no trail in median – WSD, ERD?, JJ, RSH
8. Paint parking lines/ add greenery – JJ (ref. commercial parking)
9. No trees – unknown (ref. approximately first 100' of commercial block)
10. Bury utilities – WSD
11. Don't move our shed keep driveway – JJ (ref. 340 Randolph)
12. Keep on street parking parallel – JJ
13. Water pools here – JJ (ref. N/E section of Peach)
14. Take more of verge, leaving property owners with more front yard. – EH
15. Don't touch median - Unknown

Alternative 2 Comments

1. X out – WSD (Ref. arrow toward 403 Tazewell)
2. X out – WSD (Ref. arrow toward 118 Peach)
3. Replace only trees removed w/ mature trees – ERD
4. No trees – unknown (ref. approximately first 100' of commercial block)
5. More should be directed toward Bay Ave. which is the town draw – JDG
6. No trees in middle section where commercial area is. This would show separation from residential + commercial. Parking in middle with lines. – JDG, WMG
7. Crepe Myrtles!!! – Unknown (Ref. 3 trees in commercial area)
8. Ok to narrow verge to keep parallel parking and new median parking. – unknown (Ref. Commercial block)
9. E.H. lives here – EH
10. Bicycles can't make the turn – WMG (Ref. crosswalk at intersection)
11. 1st choice: only work with commercial block * leave residential and transitional block alone – EH
12. 2nd choice: if building trail, only build on west side of peach – EH

Group #3

Alternative 1 Comments

1. Plant as many native plants as possible – JM, KF
2. Stormwater? Lighting? – unknown
3. If you want some landscaping perhaps a large circle here – KF (Ref. both ends of parking median within commercial block)
4. Can these sidewalks be expanded to accommodate outdoor dining? KF (Ref. large commercial area on east side of commercial block)
5. We need the maximum amount of parking spaces possible. This includes no landscape median KF (Ref. entire commercial block)
6. I no longer have parking, no sidewalk or steps. These are new trees - why cut down exiting tree down. – CLT (Ref. 127 Peach)
7. Narrow median slightly – no., no curb at median, no 8' path – no community trail., leave sidewalk as is at residential + transitional. – unknown
8. Leave grass – unknown (Ref. proposed turf pave area for vending at park gateway)
9. The landscape areas need to be as low maintenance as possible. We do not have the manpower to maintain what we already have. KF
10. Leave exiting sidewalks at current width - unknown
11. Utility relocation cost the utility company- not VDOT!... underground utility - unknown

Alternative 2 Comments

1. Leave grass – unknown (Ref. proposed turf pave area for vending at park gateway)
2. No changes on these blocks – JF, KF, CN (Ref. residential and transitional blocks)
3. Pave gravel parking lots behind Patrick Hand's new bldg.. to allow for beatification. – JM
4. A VDOT representative should have been present tonight + at future meetings. – CHT?
5. Do not remove – unknown (Ref. exiting trees within verge at 112 = 114 Peach)
