Urgent Notice

From: Northampton County Board of Supervisors
Date: April 6, 2020
Re: Short Term Rental properties

The Northampton County Board of Supervisors is strongly urging all rental property owners to refrain from renting their properties during the period of time covered by the Governor's emergency order which runs through June 10, 2020. The emergency services and health care staffs on the Eastern Shore are limited in scope, and might not be able to properly service additional demand. Other services on the Shore are also severely limited at this time due to concerns about the coronavirus crisis. Please help us to keep our community and our visitors safe by encouraging people to stay at home during the duration of this crisis.

Thank you for your anticipated cooperation.
